

Application Guidelines **Junior and Senior Awards**

This document provides information relevant for submitting Proposals to the **Harvard Medical School – Portugal Program for the Junior and Senior Awards**. FCT Application Forms are not HMS-Portugal Program specific, which makes the following guidelines suggestions rather than mandatory procedures. The current text explains how specific Program Application details fit in the current FCT Application Form.

Applications to the HMS-Portugal through the FCT platform (<https://concursos.fct.mctes.pt/projectos>) is a two-step process:

1. Completion of on-line FCT form according to the following guidelines and information available (please refer to the Terms of Reference 2012 document at <http://www.fct.pt/apoios/projectos/concursos/harvard/2012/docs/terms.pdf> for specific information on each of the program's initiatives.
2. Attachment of the “Annex to Application” to item 9 of the on-line FCT form with all the items requested in the document Terms of Reference. The content of this document is of extreme relevance to the evaluation panel as it was specifically created for that purpose.

Important note: All sections of the FCT form must be filled. Except where mentioned all should be in English. Please make sure that text entered in the on-line form is formatted and comprehensive.

For the Junior Awards: Junior Applicants may not be able to provide a fully structure research project or descriptions. Still, all fields are of mandatory completion and we recommend to provide as more information as possible, even if generalist or not project specific.

Section 1. Project Description / Section 2. Institutions and their roles

Applicant is designated as the “Principal Applicant” . The Principal Applicant will be located in Portugal. The Principal Applicant will be responsible for coordinating the research on behalf of the team. He/she will also act as the team’s liaison with the HMS-Portugal Program and will be required to submit annual budgets and progress reports.

Section 3. Scientific Component

This section should include an overview of the proposed research emphasizing how it meets the aims of the HMS-Portugal Program. Emphasis should also be made on the individual motivation to pursue or continue a Research medical career.

Include a detailed outline of the proposed research, including preliminary results. The detailed presentation must delineate the specific contributions of each member of the team. If no project is yet chosen (Junior Awards) please

detail your plan, method and tasks foreseen to set-up one. - ***use the space provided in sections 3.2.2 (Plan and Methods) and 3.2.3 (Tasks)***

Please refer to instructions to section 9, below, for possible use of same wording in both annex to application and section 3.

ⓘ If copy/pasting from word processors to the web application, please make sure to preserve as much as possible formatting, particularly line breaks and bullet lists, as the jury will receive a printout of the online forms.

Section 4. Research Team

Only members of Portuguese groups are to be indicated in the FCT form. To complete this, all members should obtain the Public Key at the FCT SIG website.

Section 5. Funded Projects

This section of the FCT form should concern only Portuguese groups.

Section 6. Expected indicators

This section of the FCT form is applicable for the whole team (Portuguese and international members).

Section 7. and 8. Budget

This section is applicable only to the Portuguese institutions participating in the call and it does not involve the Harvard's team budget. Make sure the total budget doesn't exceed the supported funding.

Section 9. Attachments
