

**Adaptations of Agriculture to Climate Change: France, Portugal and the Mediterranean Area**

**27-28 September 2018**

**Sala de Atos, Instituto Superior de Agronomia da Universidade de Lisboa**

**Calçada da Tapada, Lisboa**

*Conferences and roundtables in English*

**PROGRAMME**

**Day 1 – Morning**

**9:00 – 9:30: Welcome Coffee**

**9:30 – 9:50: Opening**

António Guerreiro de Brito, President, Instituto Superior de Agronomia, Universidade de Lisboa

Helena Pereira, Vice President, Fundação para a Ciência e a Tecnologia

Jean Michel Casa, Ambassador of France in Portugal

**9:50 – 10:30: Panel 0: Participation of France and Portugal in the PRIMA Programme**

Chair: Institut Français du Portugal

Ana Costa Freitas, Universidade de Évora

Florence Jacquet, Agence Nationale de la Recherche

Mohamed El-Shinawi, PRIMA

**10:30 – 11:00: Keynote Speech 1: Olivier Barreteau, G-EAU: Governance and Uses**

**11:00 – 12:15: Session 1: Water Resources: Governance and Uses**

Chair: João Ribeiro Lima, Instituto Nacional de Investigação Agrária e Veterinária

Rafaela Matos, Laboratório Nacional de Engenharia Civil

CIRAD: governance models of water resources (TBC)

Teresa Ferreira, Instituto Superior de Agronomia da Universidade de Lisboa

João A. Santos, Universidade de Trás-os-Montes e Alto Douro: *Climate change scenarios for precipitation in Portugal: adaptation in viticulture as a case study*

Discussion

**12:15 – 13:45: Lunch**

**Day 1 – Afternoon**

**13:45 – 14:15: Keynote Speech 2: Julien Demenois: 4 % Initiative: Storing carbon in agricultural soils**

**14:15 – 15:15: Session 2: Farming Systems: Innovative Practices towards Durability**

Chair: Mohammed Bouslikhane, Deputy Director of Scientific Research and Doctoral Training, Institut Agronomique et Vétérinaire, Morocco

João Paulo Nunes, Faculdade de Ciências da Universidade de Lisboa: *MASCC: Mediterranean Agricultural Soils Conservation under Global Change*

Karim Barkaoui, UMR SYSTEM – CIRAD, Maroc: *Agroforestry and crop diversification for improved resource efficiency in a context of agroecological intensification*

Francisco Moreira, CIBIO-InBIO Universidade do Porto e CEABN-InBIO, Instituto Superior de Agronomia, Universidade de Lisboa: *The use of a farming systems approach to predict the impact of agricultural policies on biodiversity and ecosystem services*

José Freire, FERTIPRADO: *The use of biodiverse legume rich pastures as an adaptation and mitigation measure for climate change*

Rémi Charpentier, Tesselo: *Geospatial intelligence for sustainable development*

Discussion

**15:15 – 16:15: Session 3: Vines and Wines: developments**

Chair: ISVV Bordeaux (TBC)

Hervé Quérol, University of Rennes 2: *ADVCLIM - ADaptation of VIticulture to CLIMate change: High resolution observations of adaptation scenarii for viticulture*

Miguel Costa, Instituto Superior de Agronomia da Universidade de Lisboa: *Deficit irrigation as a tool to withstand climate change in Mediterranean terroirs – pros and cons for the Alentejo winegrowing region*

Tim Hogg, Universidade de Trás-os-Montes e Alto Douro

Maria João Cabrita, ICAAM, Universidade de Évora: *Towards the Sustainability of Viticulture in Alentejo*

António Maçanita, Fita Preta Wine (TBC)

Discussion

**16:15 – 16:45: Coffee break**

**16:45 – 17:45: Session 4: Forest Management**

Chair : João Guerreiro, Universidade do Algarve

Nicolas Picard, FAO: *Vulnerability of Mediterranean forests to climate change*

Didier Genin, IRD: *An innovative concept for centuries-old multifunctional management practices for tree resources in the Mediterranean, North-South perspectives*

José Manuel Mendonça, INESC TEC

Maria Helena Almeida, Instituto Superior de Agronomia da Universidade de Lisboa

Discussion

<b>Day 2 – Morning</b>
------------------------

**9:00 – 9:30: Welcome coffee**

**9:30: Keynote speech 3: Giuseppe Provenzano; Union for the Mediterranean**

**10:00 – 11:10: Session 5: Small-scale farming and food value chains**

Chair: Didier Bazile, CIRAD

Instituto Nacional de Investigação Agrária e Veterinária (INIAV) – TBC

Maria Rivera, Universidade de Évora: *Unfolding the role of small farms in the food system: a territorial approach*

University of Sofia, Bulgare Slow Food Balkans Network, Agrobiodiversity and valorisation of local products, TBC

José Alberto Pereira, Instituto Politécnico de Bragança

Juliette Sermage, independent expert: participatory quality assurance systems, TBC

Discussion

**11:10 – 12:40: Conclusions: cooperation perspectives France – Portugal – Mediterranean**

Gisela Nascimento, Fundo Regional para a Ciência e Tecnologia dos Açores

Suzana Ferreira-Dias, PRIMA

CIRAD: Didier Bazile

IAV Maroc

Maurice Heral, Agence Nationale de la Recherche

Mohamed El-Shinawi, PRIMA

Ana Costa Freitas, Universidade de Évora

Institut Français du Portugal

Helena Pereira, Fundação para a Ciência e a Tecnologia
