

Tabela 1/Table 1: Infraestruturas de investigação europeias das quais Portugal é membro ou observador/ European research infrastructures with Portugal as a formal member or observer

Scientific domain	European Research Infrastructure		National infrastructure, network or research institution
	Acronym	Name	
Energy	<a href="#">EU-SOLARIS ERIC</a>	European Solar Research Infrastructure for Concentrated Solar Power	<a href="#">INIESC</a>
Environment	<a href="#">EMSO ERIC</a>	European Multidisciplinary Seafloor and water-column Observatory	<a href="#">EMSO-PT - European Multidisciplinary Seafloor and Water Column Observatory Portugal</a>
	<a href="#">EPOS ERIC</a>	European Plate Observing System	<a href="#">C4G - the Collaboratory for Geosciences</a>
	<a href="#">LIFEWATCH ERIC</a>	e-Infrastructure for Biodiversity and Ecosystem Research	<a href="#">PORBIOTA - the Portuguese E-Infrastructure for Information and Research on Biodiversity</a>
Health & Food	<a href="#">ELIXIR</a>	European life-sciences Infrastructure for biological Information	<a href="#">BioData.pt - the Portuguese Biological Data Network</a>
	<a href="#">ERINHA*</a>	European Research Infrastructure on Highly Pathogenic Agents	INSA
	<a href="#">EMBRC ERIC</a>	European Marine Biological Resource Centre	<a href="#">EMBRC_PT - European Marine Biological Resource Centre Portugal</a>
	<a href="#">EATRIS ERIC</a>	European Infrastructure for Translational Medicine	EATRIS PT (including ViraVector)
	<a href="#">INSTRUCT ERIC</a>	Structural Biology European Research Infrastructure	<a href="#">RNEM - Portuguese Mass Spectrometry Network</a> <a href="#">PTNMR - Portuguese Nuclear Magnetic Resonance Network</a>
	<a href="#">MIRRI-ERIC</a>	Microbial Resource Research Infrastructure	<a href="#">MIRRI-PT/Pt-mBRON</a>
	<a href="#">ECRIN ERIC</a>	European Clinical Research Infrastructure Network	<a href="#">Pt-CRIN</a>
	<a href="#">EU-OPSCREEN ERIC</a>	European Infrastructure of Open Screening Platforms for Chemical Biology	<a href="#">PT-OPSCREEN- National Infrastructure for Chemical Biology and Genetics</a>
	<a href="#">Euro-BioImaging ERIC</a>	European Research Infrastructure for Imaging Technologies in Biological and Biomedical Sciences	<a href="#">BIN - Brain Imaging Network</a> <a href="#">PPBI - Portuguese Platform of Bioimaging</a>
	<a href="#">HL-LHC (part of CERN)</a>	High-Luminosity Large Hadron Collider	n.a.
Physical Sciences & Engineering	<a href="#">ELT (part of ESO)</a>	Extremely Large Telescope	n.a.
	<a href="#">SKAO</a>	Square Kilometer Array	<a href="#">EngageSKA - Enabling Green E-Science for SKA</a>
	<a href="#">DARIAH ERIC</a>	Digital Research Infrastructure for the Arts and Humanities	<a href="#">ROSSIO - the Social Sciences Arts and Humanities RI</a>
Social & Cultural Innovation	<a href="#">CLARIN ERIC</a>	Common Language Resources and Technology Infrastructure	<a href="#">Portulan CLARIN</a>
	<a href="#">ESS ERIC</a>	European Social Survey	<a href="#">PASSDA - Production and Archive of Social Science Data</a>
	<a href="#">CESSDA ERIC</a>	Consortium of European Social Science Data Archives	
Digit	<a href="#">PRACE</a>	Partnership for Advanced Computing in Europe	<a href="#">UC-LCA - Laboratory for Advanced Computing</a>
