

## **ANNOUNCEMENT**

**ERM and Discovery service b-on 2025,  
2026 e 2027**

**Fundação para a Ciência e a Tecnologia, I.P.** (FCT, I.P.) expresses its intention to purchase the services identified in the annexed tender document.

The entities interested in supplying the service identified therein are invited to communicate that intention until 10 days after the publication of this announcement by providing a proposal containing the terms and conditions under which they are willing to provide that service.

The proposal must be sent to the following e-mail address: [compras@fccn.pt](mailto:compras@fccn.pt) with “Discovery service b-on 2025, 2026 e 2027” written in the subject field.

You will be asked to provide a declaration proving the non-existence of social security and tax debts.

The proposal must include Annex I duly completed.

## ANNEX I
